STUDENT RIGHTS AND GRIEVANCES

References:

- Education Code Section 76224(a);
- ACCJC Accreditation Eligibility Requirement 20;
- ACCJC Accreditation IV.D

In the pursuit of their educational goals, students should be free of unfair and improper action by any member of the academic community. A grievance may be initiated by students when they believe that they have been subject to unjust action or denied their rights as stipulated in published district regulations, state laws, or federal laws. Such action may be instituted by students against a faculty, staff member, or administrator. When students believe an injustice has been done to them, they may seek redress through the following procedures.

The purpose of this procedure is to provide a prompt and equitable means of resolving student grievances. These procedures shall be available to any student who believes a district decision or action has adversely affected the student's status, rights, or privileges. A Grievance includes, but is not limited to, claims regarding:

- Discrimination based on protected classes established by statute and referenced in BP 3400 Protected Class (See AP 3430 Prohibition of Harassment and AP 3410 Nondiscrimination.)
- Financial aid (See AP 5130 Financial Aid.)
- Course grades, to the extent permitted by Education Code Section 76224(a), which provides: "When grades are given for any course of instruction taught in a community college District, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetency, shall be final." (See BP/AP 4231 Grade Changes.)
- The exercise of free expression rights protected by state and federal constitutions and Education Code Section 76120.

A student may not file a Grievance for:

- Student disciplinary actions, which are covered under separate board policies and administrative procedures.
- Police citations (i.e. "tickets"); complaints about citations must be directed to the County Courthouse in the same way as any traffic violation.

- Sex discrimination in education programs and activities as prohibited by Title IX of the Higher Education Amendments of 1972 (See AP 3434 Discrimination and Harassments Complaints and Investigations for sexual misconduct complaints under Title IX.)

Grievant – A student who has filed a Grievance.

Party – The student or any persons claimed to have been responsible for the student's alleged Grievance, together with their representatives. "Party" shall not include the Grievance Hearing Committee or the District Grievance Officer.

Superintendent/President -- The Superintendent/President or a designated representative of the Superintendent/President.

Student – A currently enrolled student, a person who has filed an application for admission to the college, or a former student. A Grievance by an applicant shall be limited to a complaint regarding the admission process. Former students shall be limited to Grievances relating to course grades to the extent permitted by Education Code Section 76224(a).

Respondent(s) – Any person or persons the Grievant claims to be responsible for the alleged Grievance.

Day – Unless otherwise provided, day shall mean a day during which the college is in session and regular classes are held, excluding Saturdays and Sundays.

Procedure to File Grievances

Each student who has a Grievance shall make a reasonable effort to resolve the matter on an informal basis prior to requesting a Grievance hearing and shall attempt to solve the problem with the person with whom the student has the Grievance, that person's immediate supervisor, and then a college administrator.

The Superintendent/President or designee shall assist students in seeking resolution by informal means. This person shall be called the Grievance Officer. The Grievance Officer is the Chief Student Services Officer or designee. The Grievance Officer and the student may also seek the assistance of the Associated Student Organization in attempting to resolve a Grievance informally.

Informal meetings and discussion between persons directly involved in a Grievance are essential at the outset of a dispute and should be encouraged at all stages. An equitable solution should be sought before persons directly involved in the case have stated official or public positions that might tend to polarize the dispute and render a solution more difficult. At no time shall any of the persons directly or indirectly involved in the case use the fact of such informal discussion, the fact that a Grievance has been filed, or the character of the informal discussion for the purpose of strengthening the case for or against persons directly involved in the dispute or for any purpose other than the settlement of the Grievance.

Preliminary Action

Students who believe an injustice has been done to them shall first attempt to resolve their grievances by consultation with the following persons in sequence:

- A. Accused faculty, staff, or administrator(s).
- B. Department Chairperson of accused faculty member, or direct supervisor of accused staff member, or direct supervisor of accused administrator as appropriate. If the faculty Departmental Chairperson is the accused party, the students shall consult instead with the area dean for this step.
- C. The area dean for an academic grievance issue.

Any student who still believes that there is a basis for a Grievance shall contact the Chief Student Services Officer or designee via email, in person, or by completing the Report a Concern form within 30 days of the incident on which the Grievance is based. The Grievance must be filed whether or not the student has already initiated efforts at informal resolution if the student wishes the Grievance to become official. Within three business days following receipt of the Grievance, the Chief Student Services Officer or designee shall meet with and advise the student of the student's rights and responsibilities under these procedures, and assist the student, if necessary, in the final preparation of the Grievance.

If, at the end of 30 days following the student's first meeting with the Chief Student Services Officer or designee, there is no informal resolution of the complaint which is satisfactory to the student, the student shall have the right to request a Grievance hearing.

Grievance Hearing Committee

The Superintendent/President shall at the beginning of each semester, including any summer session, establish a standing panel of two students appointed by the Associated Student Government, two faculty members appointed by the Academic Senate, and one manager appointed by the Chief Student Services Officer or designee.

- **Student Group:** Students must be enrolled in nine or more units in fall or spring or four units in summer and have a cumulative grade point average of 2.0 or better.
- **Faculty Group:** Faculty must be tenured contract faculty.
- **Management Group:** Any full-time, educational administrator or classified management employee with the exception of the Chief Student Services Officer or designee. The manager appointee will serve as the chairperson for the Student Grievance Committee.

No person shall serve as a member of a Grievance Hearing Committee if that person has been personally involved in any matter giving rise to the grievance, has made any statement on the matters at issue, or could otherwise not act in a neutral manner. Any party to the grievance may challenge for cause any member of the hearing committee prior to the beginning of the hearing by addressing a challenge to the Superintendent/President who shall determine whether cause for disqualification has been shown. If the Superintendent/President feels that sufficient grounds for removal of a member of the committee has been presented, the Superintendent/President shall remove the challenged member or members and substitute a member or members from the panel described above. This determination is subject to appeal as defined below.

The Dean, Student Affairs or designee shall sit with the Grievance Hearing Committee but shall not serve as a member nor vote. The Dean, Student Affairs or designee shall coordinate all scheduling of hearings, shall serve to assist all parties and the Hearing Committee to facilitate a full, fair, and efficient resolution of the grievance and shall avoid an adversary role.

Request for Grievance Hearing

Any request for a Grievance hearing shall be made with the Dean, Student Affairs or designee within 30 days after reporting the grievance as described above.

Within fifteen (15) days following receipt of the request for Grievance hearing, the Grievance Hearing Committee shall meet in private and without the Parties present to determine on the basis of the Statement of Grievance whether it presents sufficient grounds for a hearing.

The determination of whether the Statement of Grievance presents sufficient grounds for a hearing shall be based on the following:

- The statement contains facts which, if true, would constitute a grievance under these procedures;
- The Grievant is a student as defined in these procedures, which include applicants and former students;
- The Grievant is personally and directly affected by the alleged grievance;
- The Grievance was filed in a timely manner;
- The Grievance is not clearly frivolous, clearly without foundation, or clearly filed for purposes of harassment.

If the grievance does not meet each of the requirements, the Hearing Committee Chair shall notify the student in writing of the rejection of the Request for a Grievance Hearing, together with the specific reasons for the rejection and the procedures for appeal. This notice will be provided within ten (10) days of the date the Grievance Hearing Committee makes its decision.

If the Request for Grievance Hearing satisfies each of the requirements, the Grievance Officer shall schedule a Grievance hearing. The hearing will begin within 10 days following the decision to grant a Grievance Hearing. All parties to the grievance shall be given not less than five (5) days' notice of the date, time, and place of the hearing.

Appeal: Request for Grievance Hearing Decision

Any appeal relating to a Grievance Hearing Committee decision that the Statement of Grievance does not present a Grievance as defined in these procedures shall be made in writing to the Superintendent/President within five days of notification of that decision. The Superintendent/President shall review the Statement of Grievance and Request for Grievance Hearing in accordance with the requirements for a Grievance provided in these procedures, but shall not consider any other matters. The Superintendent/President's decision whether or not to grant a Grievance hearing shall be final and not subject to further appeal.

Hearing Procedure

The decision of the Grievance Hearing Committee chair shall be final on all matters relating to the conduct of the hearing unless there is a vote of a majority of the other members of the panel to the contrary.

The Grievance Officer will provide members of the Grievance Hearing Committee with a copy of the Grievance and any written response provided by the respondent before the hearing begins.

Each Party to the Grievance may call witnesses and introduce oral and written testimony relevant to the issues of the matter.

Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.

Unless the Grievance Hearing Committee determines to proceed otherwise, each Party to the Grievance shall be permitted to make an opening statement. Thereafter, the Grievant or Grievants shall make the first presentation, followed by the respondent or respondents. The Grievant(s) may present rebuttal evidence after the respondent(s)' evidence. The burden shall be on the Grievant or Grievants to prove by substantial evidence that the facts alleged are true and that a Grievance has been established as specified above.

All Parties to the Grievance may represent themselves and may also have the right to be represented by a person of their choice. The Parties may each be represented by legal counsel. If a Party wishes to be represented by an attorney, a request must be presented not less than three days prior to the date of the hearing. If one Party is permitted to be represented by an attorney, any other Party shall have the right to be represented by an attorney. The hearing committee may also request legal assistance through the Superintendent/President's Office. Any legal advisor provided to the hearing committee may sit with the committee in an advisory capacity to provide legal counsel but shall not be a member of the panel nor vote with it.

Hearings shall be closed and confidential unless all Parties request that they be open to the public. Any such request must be made no less than three days prior to the date of the hearing.

In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all Parties and the committee agree to the contrary.

The Grievance Officer will record the hearing by audio recording and this will be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. The Grievance Hearing Committee Chair shall, at the beginning of the hearing, ask all persons present to identify themselves by name, and thereafter shall

ask witnesses to identify themselves by name. The audio recording shall remain in the custody of the District, either at the college or the district office, at all times, unless released to a professional transcribing service. Any Party may request a copy of the audio recording.

All witnesses must testify under oath; the Grievance Hearing Committee Chair will administer the oath. The Grievance Hearing Committee will only admit written statements of witnesses under penalty of perjury if the witness is unavailable to testify. A witness who refuses to be audio recorded shall be considered to be unavailable.

Within five days following the close of the hearing, the Grievance Hearing Committee shall prepare and send to the Superintendent/President a written decision. The decision shall include specific factual findings regarding the Grievance and shall include specific conclusions regarding whether the hearing established a Grievance as defined above. The decision shall also include a specific recommendation regarding the relief for the Grievant, if any. The Grievance Hearing Committee will base its decision only on the record of the hearing and not on matters outside of that record. The record consists of the original Grievance, any written response, and the oral and written evidence produced at the hearing.

Superintendent/President's Decision

Within 10 days following receipt of the Grievance Hearing Committee's decision and recommendation(s), the Superintendent/President shall send to all Parties the Superintendent/President's written decision, together with the Hearing Committee's decision and recommendations. The Superintendent/President may accept or reject the findings, decisions, and recommendations of the Hearing Committee. The factual findings of the Hearing Committee shall be accorded great weight; if the Superintendent/President does not accept the decision or a finding or recommendation of the Hearing Committee, the Superintendent/President shall review the record of the hearing and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the Superintendent/President shall be final and not subject to appeal.

Time Limits:

Any times specified in these procedures may be shortened or lengthened if there is mutual concurrence by all Parties.
