

American Ethnic Black Studies

Aminah Sakura Hill

Submitted by Melinda Gándara

The American Ethnic Studies Department is pleased to honor Aminah Sakura Hill as the recipient of the 2023-2024 outstanding student award in Black Studies. Aminah sets herself apart with her ability to balance her commitment to numerous outreach and community engagement projects, and serving as a College Rep for Enrollment Services -- all this while maintaining a full course load. She is an active member in Umoja and plans to transfer to a 4-year university to continue her education in Black Studies. We admire her for her demonstrated academic excellence, leadership, and community involvement – all key factors that align with our mission at Santa Barbara City College.
